

Terms of Use

Effective Date: 2025-7-20

Welcome to SciMaster!

1. Acceptance of Terms

1.1 These Terms applies to the products and services offered to you on the SciMaster website, app, applet, and any new forms that may emerge with technological advancements (collectively, the "Platform"). The entity that you are contracting with in connection with your purchase or subscription of the products and services is ATOMBEAT TECHNOLOGY PTE. LTD("Atombeat" or "we" or "us"). If there is a separate service agreement or similar legal document within the products or services we and our affiliates provide to you, that separate document takes precedence.

1.2 By accessing or using this Platform, you acknowledge that you have read, understood and agreed to the following terms ("Terms"). In case you do not understand or agree to any of these Terms, you should immediately exit this Platform. Atombeat reserves the right to modify these Terms at any time without notice to you, and such modification shall be effective immediately upon posting of the modified Terms. You agree to review the Terms periodically to be aware of such modifications and your continued access to or use of the Platform shall be deemed your conclusive acceptance of the modified Terms. In the event of any violation of these Terms, Atombeat shall have the right to seek all available legal and equitable remedies.

2. Our Platform Content

The contents of this Platform include but are not limited to text, images, data, points of view, suggestions, web pages, and links offered on or through the Platform (the "Platform Content"). This Platform and the Platform Content are provided for your convenience only. Although Atombeat has attempted to provide accurate information on this Platform, it assumes no obligation or responsibility whatsoever regarding the accuracy and completeness of the information. Atombeat may change the contents available on this Platform or the products listed on the Platform at any time and without notice.

ALL INFORMATION PROVIDED ON THIS PLATFORM IS PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTIES, GUARANTEES OR REPRESENTATIONS OF ANY KIND. ATOMBEAT HEREBY EXPRESSLY DISCLAIMS, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL EXPRESS, IMPLIED, STATUTORY OR OTHER WARRANTIES, GUARANTEES OR REPRESENTATIONS, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT.

3. Software Content

Atombeat and/or its licensors own and retain all rights, including all applicable intellectual property rights, in all software on this Platform, in both source and binary forms, sample code, APIs, SDKs, associated documentation, and other related materials (collectively, "Software Content").

Unless you have obtained a relevant license through other agreements entered between you and Atombeat, nothing in these Terms grants any right or license to Software Content to you, and you shall not:

- modify, reverse engineer, decompile, disassemble, split, adapt, implant, or create derivative works based on the Software Content;
- research the internal implementation of Atombeat products, obtain product source code, or infringe intellectual property rights in any manner; and/or
- disclose results of any benchmark tests.

4. Your Use of this Platform

You shall not use this Platform and/or the Platform Content for any purpose that is illegal or contrary to these Platform terms, in connection with any illegal purposes, or to solicit the performance of any illegal activity or activities that infringe on the rights of Atombeat or any third party.

You shall not gain or attempt to gain unauthorized access to any portion of this Platform, or to any of the services offered on or through the Platform, or to any other systems or networks connected to any Atombeat server.

You shall not take any action that will place an excessive load on this Platform, including but not limited to its infrastructure, systems, and networks.

You shall not obtain, or attempt to obtain, any Platform Content through any means not purposely made available through this Platform or use any manual or automatic process, device, program, algorithm, or methods to access, obtain, copy, or monitor any portion or content of this Platform.

You shall not test by scanning or other means the vulnerability of this Platform or any networks connected to this Platform, nor breach the security or authentication measures of this Platform and the services offered on or through this Platform. You shall not reverse lookup, trace, or attempt to trace any information of any other users or visitors of Atombeat or this Platform, or exploit or reveal any information or services offered on or through this Platform.

You shall not interfere with or attempt to interfere with the proper operation of this Platform and any other person's use of this Platform by any means, including but not limited to using any device, software, or program.

When using this Platform and its contents, you agree to comply with applicable laws and regulations. You shall not use the Platform to post, transmit or distribute content that is obscene, offensive, defamatory or otherwise objectionable. You shall not use this Platform and its content to produce, read, copy, or disseminate any information that is illegal, to infringe on any other person's rights, or to cause nuisance, annoyance or inconvenience to any other person. You shall not use this Platform and its contents to engage in any activity that endangers cyber security and any computer system.

5. Trademark

All trademarks and logos displayed, mentioned or otherwise used on this Platform are the property of Atombeat or its licensors as stated if applicable. You shall not use any of these trademarks or logos in any way without express prior written permission from Atombeat or such licensors as applicable.

6. Privacy

Atombeat's Privacy Policy is applicable to the collection, use and disclosure of personal data on or through this Platform. By using this Platform, you agree to the collection, use and disclosure of personal data by Atombeat in accordance with our [Privacy Policy](#).

7. User Accounts and Profiles

In order to access this Platform or obtain certain functions or services of our Platform, you may be required to create an account, set up a user profile, or download software. Additional Atombeat terms or requirements for certain functions or services may apply. In case of any conflict between such additional terms and these Terms, the additional terms shall prevail in respect of the aforementioned certain functions or services.

You shall not impersonate another person or entity, or forge your identity to access this Platform. If any portion of the Platform requires you to create an account or set up a user profile, the information you provide must be truthful and accurate. You agree to keep your account information secure and confidential and to never allow another person or entity to access your account or profile using your username or password at any time, otherwise you may be held liable for the losses incurred by Atombeat or any other users or visitors to this Platform.

Atombeat reserves the right, at its sole discretion, to reject or remove any content that you post, restrict, suspend, or terminate your access to the Platform, and may retain or delete your information or content.

To provide you with a unified login experience and more convenient services, when you register for a SciMaster account, the system will automatically create a Bohrium Research Space Station account for you. The account information will be consistent with that of your SciMaster account (such as your username and email address).

You acknowledge and agree that your usage behavior and personal information protection will be subject to the "Terms of Use", "Privacy Policy" and related rules of both SciMaster and Bohrium Research Space Station. If you have any questions about this associated registration, you may consult SciMaster customer service.

8. Copyright

All contents on this Platform are provided by Atombeat, its content providers and/or third party licensors. All intellectual property rights to or over the contents on this Platform belong to Atombeat, its content providers and/or third party licensors, unless otherwise expressly stated. All such rights are reserved. Without the prior written consent of Atombeat, the contents on this Platform shall not be reproduced, modified, promoted, distributed, photocopied, played, disassembled, reverse engineered, decompiled, linked or transmitted with hyperlinks, loaded into other servers by "mirroring", or uploaded or stored in an information retrieval system, or otherwise used for any other purposes by any person by any means apart from in the ordinary course of accessing this Platform.

You agree that you will only upload, share, post, publish, transmit, or otherwise make available ("Share") on or through the Platform Content that you have the right and authority to Share and for which you have the right and authority to grant to this Platform all of the licenses and rights set forth herein. By Sharing Content, you grant this Platform a worldwide, perpetual, royalty-free, irrevocable, nonexclusive, fully sublicensable license to use, reproduce, modify, adapt, translate, host, publish, publicly perform, publicly display, broadcast, transmit, stream and distribute the Content for any purpose and in any form, medium, or technology now known or later developed. This includes, without limitation, the right to incorporate or implement the

Content into any this Platform product or service, and to display, market, sublicense and distribute the Content as incorporated or embedded in any product or service distributed or offered by this Platform without compensation to you. You warrant that: (a) you have the right and authority to grant this license; (b) this Platform's exercise of the rights granted pursuant to this license will not infringe or otherwise violate any third party rights; and (c) all so-called moral rights in the Content have been waived to the full extent allowed by law.

9. Data Protection

With respect to the content you upload to the Platform and the content generated by you through the use of this service, we will not use the aforementioned content for model training or optimization without your consent.

We will adopt appropriate administrative, physical and technical measures to ensure that the Platform itself has appropriate security to protect the security and confidentiality of your data. In accordance with the requirements of relevant laws, regulations and industry best practices, we have strictly implemented data protection measures such as encrypted data storage, encrypted transmission, access control, network security protection, and emergency response to security incidents to safeguard the personal information and data security of users.

Without your consent, we will not disclose or provide your content or data (including but not limited to search history, subscribed content, document management and notes, etc.) to third parties, except: (a) as required by applicable laws, regulations, legal procedures, litigation, arbitration, legal documents, or policy documents; (b) in response to the requests of judicial organs, administrative organs and other competent national authorities to query or obtain your content or data; or (c) other scenarios necessary for fulfilling your service requests.

If, due to the requirements of specific products and services, you have signed a separate data protection agreement, a data protection commitment letter with us, or there are unique data protection clauses included in other agreements, the data protection provisions in the separately signed agreement, commitment letter or unique clauses shall be preferentially applicable. In case of any conflicts or inconsistencies between the relevant clauses and the data protection provisions in this agreement, the separately signed agreement or unique clauses shall prevail.

10. Product Availability

The availability of the products and services described on this Platform, and the descriptions of such products and services, may vary in your country or region and include products and services not launched in your country or region. Please consult your local Atombeat sales representative or agent for specific products and/or services information.

11. Links to Third Parties

Although links to third party Platforms may be contained in this Platform for your convenience, Atombeat shall not be responsible for any content, products or services of any such third party Platforms (including errors and omissions therein). Atombeat shall not be liable for any loss or damage of any kind arising from your use or access to third party Platforms. You might need to review and agree to applicable rules of use when using such Platforms. In addition, a link to a third party Platform shall not be construed as an endorsement by Atombeat of the Platform or the products or services referenced therein.

12. Limitation of Liability

Neither Atombeat nor any of its affiliates, subsidiaries, directors, agents, employees or other representatives shall be liable for any indirect, special, incidental, consequential, punitive, and/or

exemplary damages (including without limitation, loss of profits or revenues, loss of anticipated savings, loss of data, loss of reputation or goodwill, and/or loss of business), whether under contract, tort (including negligence) or any other theory of liability, in connection with this Platform or the use of or inability to use this Platform or reliance on the contents contained herein, even if Atombeat is advised of the possibility of such damages. Unless otherwise agreed in writing by Atombeat in any sales contract, to the extent permitted by applicable law, Atombeat assumes no legal liability or responsibility for the accuracy, completeness, or usefulness of any of the contents or materials on this Platform, whether under contract, tort (including negligence) or any other theory of liability.

13. Indemnity

You agree to indemnify, defend and hold harmless Atombeat, its affiliates, subsidiaries, directors, officers, employees, agents, and any third party licensors and content providers, from and against any losses, damages, claims, costs (including legal costs), expenses, demands, and actions, due to or arising out of your use of the Platform, your access or connection to the Platform, and/or your violation of these Terms.

14. Applicable Law and Dispute Resolution

You agree that your access to and all related activities on or through this Platform, as well as these Terms, shall be governed by, construed, and interpreted in accordance with the laws of the Republic of Singapore. You irrevocably submit to the exclusive jurisdiction of the courts of the Republic of Singapore. Region to settle any dispute arising out of or in connection with these Terms and/or your access to and all related activities on or through this Platform.
